### CLINIC RULES, RESTRICTIONS & REQUIREMENTS

- All pets must be in good health and friendly (able to be handled by staff)
- All pets must be brought in by legal owner, and at least 18 years old
- Puppies/kittens must weigh at least 3 lbs., and be at least 16 weeks of age
- No pets over 55 lbs.
- Pets must be between the ages of 4 months and 6 years
  - (Pets over 7 require bloodwork & IV catheter- at an additional cost to pet owner)
- All Dogs must be on a leash
- **Cats must be in a carrier (only one cat per carrier, please)**- This is for post-surgery recovery reasons.
- **Do not feed your pet after 10:00 pm the night before, water is allowed**
- **A \$30 non-refundable deposit per pet, is required at time of registration by credit/debit card**
  - The deposit will cover the cost of take-home/post-surgery pain medication and e-collar
  - This process was implemented due to the high rate of no-shows for these events/specials
- **This event and its funding is for owned pets (of the general public) and not for use by breeders, rescue groups, pets in transition of homes, fosters, adopted pets from a rescue/shelter, strays and/or feral/stray/free-roaming cats.** FAS' efforts are to help those in need of financial assistance to provide a healthy life for their pets while preventing future accidental litters and unwanted pets entering our shelter system. 2 pets per household, per year through FAS funding. If you have a litter with momma dog/cat, please advise staff for assistance for the entire group ☺

**Additional Vaccination & Services** - Offered to Surgery Patients Only - **Microchip \$20**

-Bordetella Vaccine (canine) \$22 each . Nail Trim \$10 - while pet is under anesthesia
